students and run two sessions, Morning and Afternoon.

Mike Mueller Charities Vice Chairman Henry Moore said renovation of the school is the first of several projects his institution would undertake in the country.

Mr. Moore said the organization also provided safe drinking water for students on campus.

He indicated that the Mike Mueller Charities is contemplating on ensuring that the water is supply into the building to enable the students use it in the toilet.

He indicated that his organization is currently bringing into the country three ambulances one of which would be donated to the John F. Kennedy Medical Center.

He said the other two ambulances would be provided to needy institutions.

Meanwhile Demonstration School Principal Terrence Moore has lauded Mike Mueller Charities for renovating the school facility.

Principal Moore is appealing to the charity organization to modernize its teachers' lounge.
